EDUCATION

Bachelor of Technology
Sree Vidyanikethan Engineering College

02/2021 - Present   *Tirupati*
Electronics and Communication engineering
- CGPA: 9.54

Pre university
Narayana junior college

06/2018 - 03/2020   *Tirupati*
MPC
- CGPA :10/10

Schooling
Yasoda Concept school

06/2017 - 03/2018   *Dharmavaram*
SSC
- GPA:10/10

PROJECTS

Building automatic speech recognition system
 (12/2022 - 02/2023)
- Speech recognition is a technique that enables machines to automatically identify the human voice through speech signals. In other words, it helps create a communication link between machines and humans. Speech recognition uses an acoustic and modeling algorithm to execute its task.

ACTIVITIES AND PARTICIPATIONS

Tech lead
ISF Forum(IETE)

Event coordinator
ISTE(Indian Society fot Technical Education)

Event coordinator
ACME (Association of communication Majors and Enthusiasts)

VOLUNTEER
NSS

Actively participated in volunteering to Social activities like Educating Villagers, Cleaning Camps, Student mentoring and many More.

SKILLS

Web development: Html and CSS

Programming Languages:: python, C & data structures,assembly language

microcontrollers

DBMS

CERTIFICATES

Certificate from 1stop on AI-languify

Certificate from MathWorks on "MATLAB Onramp"

Certificate from idealab on "printed circuit board designing"

Certificate from mepro pearson on "completion of all the modules"

Introduction to cybersecurity and cybersecurity essentials certification from "cisco"

aws cloud computing and aws machine learning from "aws academy"

AI-ML virtual internship certificate from "AICTE"
 (05/2023 - 07/2023)

LANGUAGES

English
